Gentlemen:

Upon careful review of our proposal for "Materials Handling Study of Non-Digitally Stored Data" (SCP 6732), []
[] has decided that we can apply our experience from prior and current programs to a greater extent than was believed at the time that the original proposal was submitted. [] also believes that more effective use of our labor may be made by spending a larger effort in Washington, D. C. Accordingly, we are reducing our price estimate to a total of [] for Phases I and II. The revised cost for Phase I will be [] the revised cost for Phase II will be [] This is a revision of price only and does not alter the statement of work presented in the proposal. We have carefully planned the performance of the statement of work within the revised cost estimate and are prepared to discuss with you the specific allocation of time and manpower to accomplish each work statement item.
